General Provisions: Plan Highlights

Plan Definition:

DVH: The policy form is a Limited Dental, Vision & Hearing product.

DVH Select: The policy form is a Limited Dental, Vision & Hearing product. The product has the Vision and Hearing benefits filed as Riders.

Issue Ages and Premium Ages:

In computing premiums, the Company uses “Age of Last Birthday”.

DVH: The two parent family premium is based on the older age for bank draft sales and the employee’s age for payroll sales. No adult over age 85 is eligible for coverage.

DVH Select: The two parent family premium is based on the older age for bank draft sales. No adult over age 99 is eligible for coverage.

All States:

- **DVH:** Individual (age 18 – 85)
- **DVH Select:** Individual (age 18 – 99)
- Child (rate is for 3 – 17)
- Dependents under age 3 not eligible
- Child only policies not accepted
- Increases in benefit amounts are processed by PHS
- Decreases allowed at any time
- Dependent eligibility is based on the provisions in the policy print for the state applied

Guaranteed Renewability

Guaranteed Renewable for the life of the policy. Subject to the Company’s right to change premiums (may vary by state).

Policy Year Max Benefit Available:

\$1,000, \$1,500 or \$3,000 or \$5,000 (some states)

(See Product Availability Grid for specifics)

Policy Year Deductible Options:

Applies to all service

DVH: \$100

DVH Select: \$0 and \$100

Plan Availability:

Individual | Individual + Spouse | Individual + Child(ren) | Family

General Provisions: Plan Highlights

Premium Rates Options:

The Company established the ratings based on two important criteria: 1. the date the application was signed to determine eligibility and 2. issue age: the age of the oldest applicant at the time the application is submitted.

DVH: Family rates are quoted to Individual/Spouse, Individual/2+ Children or Individual, Spouse and up to three children.

Additional children are charged with the 3 - 17 rate per person.

One parent and one child only will be charged the individual plus the age 3 - 17 rate.

Single parent (individual and one child) premiums cannot be added and entered as a lump sum on the base/primary insured.

DVH Select: Individual, Individual and Spouse, Individual and Children and Family.

Family premium rates include up to three children. Additional children are charged the 3 - 17 rate per person.

Network

We utilize the Careington Maximum Care PPO Dental network. Policyholders are not required to visit a network provider and can use the dentist of their choice. Using a network provider, however, may result in a better discounted rate, thus extending the amount remaining of a given Policy Year maximum.

Definitions

Waiting Periods:

Depending on the benefit, there are waiting periods for certain services. Please consult your brochure and ensure that the consumer understands the waiting period provisions as outlined in the brochure.

Annual Maximums:

There are four Policy Year Plan Maximums available (\$1,000, \$1,500, \$3,000 and \$5,000). (These may vary by state). Unused Annual Maximums do not roll over to the next year.

Annual Deductible:

DVH: There is a \$100 per person/per year deductible. Deductible applies to all services.

DVH Select: There is a \$0 or \$100 per person/per year deductible. Deductible applies to all services except Preventative Services.

Claim Adjudication:

When services are eligible for claim, the amount is based on a percentage according to how long the policy has been effective. It is important and helpful that applicants understand how the policy works and the way a claim is to be adjudicated.

DVH: For example, if after a 12-month waiting period a policyholder was to have Major Services, they would receive 60% of the billed charge in Year 1 that the policy is in force. If the same procedure were to occur in Year 2, the benefit percentage would be 70% of the billed charge (due to certain state regulations, percentage may vary in certain states, notably Ohio).

DVH Select: For example, if after day one a policyholder was to have Major Services, they would receive 20% of the billed charge for Year 1 that the policy is in force. If the same procedure were to occur after Year 1, the benefit percentage would be 50% of the billed charge (due to certain state regulations, percentage may vary in certain states, notably Ohio).

Contracted Rate:

The amount a Dental Practitioner that has a contract with the Dental Provider Network agreed to accept as total payment for the treatment provided.

Usual, Customary and Reasonable:

As standard in the industry, we adjudicate claims based on Usual, Customary and Reasonable fees (UCR). It is important that agents and applicants understand this (see below).

Usual Fee: Dentists charge this fee most often for a given type of dental work.

Customary Fee: This refers to the fee level that the administrator of a dental benefit plan sets. They base this amount on actual fees dentists have billed for a certain type of dental work. It is the most an insurer will pay under a plan for that type of work.

Reasonable Fee: This is the fee a dentist charges for dental work that is more complex than usual. For instance, work that has been changed by the nature and severity of the problem that is being treated. It accounts for any medical or dental complications or unusual circumstances. Thus, it may differ from the dentist's "usual" fee or the plan's "customary" fee.

Indemnity plan claims, including ours, are based on UCR. This type of plan pays each claim based on the amount insurers determine to be usual, customary and reasonable for each type of work and for each market area. Fees for service may vary by geographical area.

Definitions

Claim Processing:

Claims billing is determined by the provider; Providers can bill MIAC by completing the ADA form or insured can file a claim by completing the MIAC claim form. Claims forms must be submitted with supporting documentation.

DVH Select: The policy form is a Limited Dental, Vision & Hearing product. The product has the Vision and Hearing benefits filed as Riders.

Claims may be filed up to 15 months from the service date.

Effective Dates

The Effective Date of a policy will be the policy date on the policy schedule page. It is not the date the application is signed. The effective date cannot be the application signature date. Policyholders can choose 1 day after, or up to 6 months from the signature date. Effective dates can only be from the 1st to the 28th of any month.

Effective Date Changes

Policyholders can request an effective date up to 180 days from the signature date. Changes can be made by contacting customer service at 1-800-999-2971.

We do not back date policy effective dates beyond the application signature date.

Rider Additions

DVH Select: The Vision and Hearing Riders can be added during the 30-day free look period by submitting a new application and referencing the existing policy number.

To add Riders after the Free Look period, the agent/policyholder would need to re-apply, via paper or ManhattanLife 2.0, including the riders and referencing the original policy number.

The original policy would then need to be closed after the new policy with Riders is established.

Waiting periods and benefit tenure will not be waived under the new policy. If a Rider is added, waiting periods reset.

Benefit Increases

- Benefit increases (Policy Year Maximum) can be processed via amendment within 30 days prior to the policy anniversary date by submitting a new application and referencing the original policy number
- After the 30-day free look period, a new application is required for the benefit increase, and the original policy number should be referenced upon submission
- If the original policy included the Vision and Hearing Rider and the insured wishes to keep the original benefits, the new application needs to include the Riders and the premium
- Waiting periods on added benefit will reset upon an increase in benefits

- Dependent addition or removal
 - Addition of dependents require a new application with dependents being listed in the Other Proposed Insured(s) section (original owner's information will go in the Proposed Insured's Information section)
 - Removal of dependents can be requested through email, fax or mail
- For additional information please contact customer service at 1-800-999-2971

Benefit Decreases

- Benefit decreases can be requested at any time
- Request for a decrease in benefits can be done through email, and referencing the original policy number

Reinstatement Guidelines

Insureds may pay back premiums and reinstate with no lapse in coverage within 30 days of the Term Date. If outside of 30 days, the insured must submit a request in writing to reinstate. A notice will be mailed providing the steps to bringing the policy current. The policy will have a gap in coverage.

In order to apply for new coverage, they must be inactive for 90 days from the Term Date.

DVH: If a customer does reinstate after 90 days from the prior Term Date, the waiting period will continue from where the customer was prior to the cancellation. An applicant cannot have more than 1 active DVH policy.

DVH Select: Please note, waiting periods start over, including deductibles.

Group Eligibility

DVH: A minimum participation of 3 eligible lives is required for group billing. Coverage may not be backdated.

Underwriting and Effective Dates

Coverage is guaranteed issue.

The "Effective Date" of a policy will be the policy date stated on the policy schedule page. It is not the date the application is signed. Policies will not be effective the 29, 30 or 31st of the month.

Completing the Application

Prior to soliciting any applications, you must be properly licensed and/or appointed by the department of insurance and the Company in the state you are soliciting applications.

Use the appropriate state version of the DVH application, as well as current approved state sales material.

In addition, an Outline of Coverage for this product must be left with the applicant. Complete all questions on the application.

A valid Social Security Number is required for all applications.

Billing and Premium Modes

The Company accepts business on the Bank Draft (EFT), List Bill and Direct methods of payment.

The annual, semi-annual and quarterly modes of payment are acceptable for all forms of payments. Monthly premium notices are not available.

The Company does not accept: (a) post-dated checks; (b) C.O.D. applications; (c) partial payments; (d) money orders or cashier checks; (e) applications with the date altered; (f) applications where “white-out” has been used; (g) personal checks from an agent or agency; (h) Credit Cards, Debit Cards, Prepaid Cards. All premium checks must be payable to ManhattanLife Insurance and Annuity Company.

Bank Change

Bank change request require an updated Bank Draft Authorization (BDA) form, or the insured can send in a letter from the bank on bank letterhead. The insured can complete the bank change request by one of the following methods:

Bank Letterhead:

Insured can have the bank send a letter with their routing and account number. The letter must include the banks' letterhead, a bank rep's name, address and phone number. Or the insured can request a Bank Draft Authorization form by calling 1-800-999-2971.

Bank Draft Authorization Form:

Policyholder can log in to their policyholder center: Left side of the screen there is an online forms section > Click on the Bank Draft Authorization form link > Select the policies the insured would like to update and complete all required fields > Enter the Mother's Maiden Name and click “Confirm”. The Electronic BDA will generate in Web Docs. A Premiums rep will update the information. Please advise the policyholder to allow 1-2 business days for update.

Or contact customer service at 1-800-999-2971 to request one.

Bill Pay

Online bill payment is a secure electronic service that allows customers to pay bills without having to write checks and mail them. Online bill payment is usually tied to a checking account from which funds are withdrawn electronically for payment of one-time or recurring bills. This must be set up with the insured's bank. This option can only be used for Quarterly, Semi-Annual and Annual Direct Bill Mode.

Direct Bill

The Direct Bill Payment Mode is available quarterly, semi-annual and annual. The policyholder will receive a paper bill at least 21 days prior to the bill due date. The policyholder must remit payment by electronic bill pay or personal check.

Commissions

Commissions are not paid until the effective date of the policy is reached and premium has been posted.

When paid by EFT, earned and renewal commissions are processed on or around the 15th, as well as the last day of the month. There is a \$25 minimum requirement for outgoing commissions. If paid by check, they are processed on the last day of the month with a \$100 minimum.

Advanced commissions are processed daily when paid by EFT with no minimum. If paid by check, they are processed every Thursday with no minimum.

DVH Select: AK7034 (including state variations)

Commission Rules for Re-Establishing a Lapsed Account:

Q: A DVH Policyholder lapses. What happens if the agent on record wants to sign the insured back up for coverage again. When is the sale viewed as a "renewal" and only pays renewal commission vs. when is the sale viewed as a brand new sale that pays 1st year commissions?

A: We will only pay 12 months of first year commission per insured. If the original policy was in effect for 6 months, the new policy will only pay first year commission for 6 months.

If the first policy paid 12 months of commission, we will only pay renewal on the new policy.
