

Accident Protector

Combined Insurance's Accident Protector—a good decision.

This accident policy provides cash benefits to help you and your loved ones when needed most.

Protection that works for you

The Accident Protector covers you on or off the job, 24 hours a day, 365 days a year. You are the owner of this policy - even if you change employers you can keep your coverage without interruption. Claims are payable to you and are paid in addition to any other insurance you might have.

Accidental Death & Dismemberment ³ - any accident	
Loss of one limb or sight in one eye	\$25,000
Loss of life, or multiple limbs, or sight in both eyes	\$50,000

1. All benefits shown are "per accident" unless otherwise noted.
2. You are considered "totally disabled" when you are under the regular care of a physician, and unable to perform all the substantial and material duties of your own occupation (usual activities if not employed).
3. Optional Accidental Death & Dismemberment rider Form No. 10206-FL. Loss of life, limbs(s) or eyesight must occur within 180 days of accidental injury.

Accident Protector Limitations and Exclusions

This is an Accident Only policy and does not pay benefits for loss from sickness.

Optional Accidental Death and Dismemberment Rider

This is a brief description of the optional Accidental Death and Dismemberment Rider (Form No. 10206-FL) which is available for an additional premium.

If you purchase the Accidental Death and Dismemberment Rider, Combined Insurance will pay a lump sum benefit for loss of life, limb(s), or sight.

Accidental Death and Dismemberment benefits are payable only for loss that occurs within 180 days of the accident that caused the loss. Only one benefit per accident, whichever is greater, will be paid for each covered person.

Hospital is an institution in the United States or Canada which meets all of the following requirements:

- (1) operates pursuant to state or provincial law for Hospitals located in the United States or Canada;
- (2) operates primarily for the care and treatment of sick or injured persons as Inpatients;
- (3) provides 24 hour nursing service;
- (4) has facilities available for diagnosis and surgery either on its own premises or in facilities available to the Hospital on a pre-arranged basis; and
- (5) has a staff of at least one licensed Physician available at all times.

"Hospital" does not include a nursing home or convalescent care facility. Hospital confinement must occur within 90 days of injury.

THIS IS VERY IMPORTANT: IF A COVERED INDIVIDUAL IS A MEDICAID RECIPIENT, POLICY BENEFITS MAY BE ASSIGNED AND PAYABLE TO YOUR STATE MEDICAID AGENCY. ALSO, BENEFIT PAYMENTS YOU RECEIVE MAY COUNT AS INCOME FOR MEDICAID ELIGIBILITY PURPOSES.

IMPORTANT NOTICE:

This is a supplement to health insurance and is not a substitute for Major Medical, or other minimal essential, coverage.

Notice of Claim / Proof of Loss

Written proof of loss must be given to Combined within 90 days after such loss. If it was not reasonably possible to give written proof within 90 days, the proof required must be given no later than 1 year from the time specified unless the claimant was legally incapacitated.

This document contains a brief description of policy **Form No. series 10205-FL**. If you apply for and are issued the optional Accidental Death and Dismemberment Rider (**Form No. 10206-FL**) it is guaranteed renewable and non-cancellable for life so long as the policy to which this rider is attached is in force. See the policy for complete details of policy benefits, exclusions and limitations. Products may vary by State subject to availability and qualifications.
